Subject: Raw PCB Data - Indoor Air Testing at Malibu Middle & High School

Follow Up Flag: Follow up
Flag Status: Flagged

Good Morning Mr. Armann,

Under the Freedom of Information Act (FOIA) I am requesting to obtain copies of laboratory data detailing concentrations of PCBs in indoor air samples collected from Malibu Middle & High School within the last month. I am interested in the raw data, as well as any materials pertaining to data validation.

It is my understanding that the data should be of public record, please let me know if there is any further information that you need to produce the reports. If there is a fee for preparation of the documents I can promptly provide payment. Thank you for your time and consideration in this matter.

Cheers,

Anders Sutherland
